WHAT YOU'LL LEARN

How Much You Can Get
Annual grants equal 25% of prior-year service costs — up to $10 million per year, for up to four remaining annual payments through June 30, 2030

What Services Qualify
Complete service transfers to another government, non-profit, or private entity — public safety, roads, utilities, and more

How to Apply
Form SL-405 through MyDORGov — contract requirements, eligible transferees, and what DOR prioritizes

What You Can Do with the Money
Grant proceeds are unrestricted — invest in infrastructure, technology, debt reduction, or any priority your governing body approves

Real Examples
Hear directly from local officials in your region who have successfully navigated the application process

Compliance & Ongoing Requirements
The 115% cost cap, annual certification, and what happens if requirements aren't met
